

## CCES Calgary Nature Kindergarten Classroom Assistant

Interested candidate should:

- have early childcare certification education;
- have experience working with children aged 4-6 years old;
- have experience and/or knowledge of working in an emergent curriculum environment and the Reggio Emilia philosophy;
- be flexible and looks forward to responding to planning to changes in programming as the day requires - based on weather or the interests of the children;
- enjoy collaboration and working in a team planning environment;
- have or be willing to take first aid certification; current (within 6 months) criminal record and vulnerable sector check;
- be willing to follow all Covid protocols;
- is able to drive and get to our locations in the Deep South of Calgary (near Spruce Meadows) and/or Rosemont/Confederation Park in NW Calgary.

This position will:

- work directly with children in the age group of 4-6 years old - most of the time outdoors except in extreme weather;
- daily and weekly team plan and share responsibility for implementation of those plans;
- Up to 5 days per week; 8 hours per day during the school year (based on school calendar) for full time work or approx 3 days per week for half time work.
- pay \$20 per hour to start.

Interested candidates should email resume and cover letter, with the email subject "Classroom Assistant" ,to:

calgarynaturekindergarten@gmail.com

Thank you for all those that apply.
